

Comment:

Since the summer of 2008, the District has been working with local law enforcement agencies to promote the adoption of daytime curfew ordinances in each jurisdiction. Hercules was the first city to adopt the ordinance patterned after similar ordinances in other California cities as well as cities in other states. Over the past year, San Pablo, Pinole and El Cerrito have adopted similar daytime curfew ordinances. The police chiefs in West County and district administrators agree that a daytime curfew provides an additional means to enforce already existing truancy laws.
