

West Contra Costa Unified School District  
Minutes of the Board of Education Study Session  
Lovonya DeJean Middle School  
3400 McDonald Avenue  
Richmond, CA 94805

November 12, 2008

A. OPENING PROCEDURES

11:00 AM - 11:05 AM

[The remainder of the page is heavily redacted with thick black horizontal bars.]

is categorically exempt from CEQA, and the potential to increase school size averages to add capacity for student

approval.

A suggested timeline for the process was suggested to include a community development fund. He was not

experts rather than more community input because of the emotional impact. He urged the preservation of elementary schools within walking distance for students.

Cheryl Farrell spoke about a format with transparent results and a transparent process possible, inclusive of
