D. AWARDS, RECOGNITIONS, AND REPORTS

*** D.1 Ivy League Summer Programs: Students from El Cerrito High School, Pinole Valley High School, Hercules High School, and Richmond High School will participate in college readiness programs offered at respective Ivy League Colleges and Universities**

Comment:

The Ivy League Connection program has been an integral college awareness program in the West Contra Costa Unified School District for the last four years. Each year students at our respective high schools participate in a rigorous screening process in order to gain acceptance into a summer program at an Ivy League university. The Ivy League program has grown tremendously over the years through the contributions of benefactors and corporations vested in providing educational opportunities for our students. This summer, West Contra Costa Unified School District will be sending thirty-three students to various Ivy League universities including Cornell University, Columbia University, Brown University, and Yale University. We are proud to honor and recognize these outstanding students for their determination and willingness to accept this unique challenge and are confident they will serve as positive ambassadors representing their school and the district.

This evening we are proud to introduce the Ivy League Connection candidates who will be traveling this summer to respective college campuses. The students who will be representing our school district have demonstrated academic excellence and potential each year as a high school student. Further, all Ivy League students have participated in a rigorous application process prior to their acceptance into one of the college programs.

The District would like to thank the following sponsors for their contributions: IBEW/NECA LMCC Statewide, Contra Costa Chapter National Electrical Contractors Association(NECA), NorCal Chapter, NECA, Carpenters, Local 152, UA, Local 159, UA, Local 342, IBEW Local 332, Deems, Lewis and
