

Proposition '39' Update

-
-
-
-

- In November 2012, California voters passed Proposition 39 which requires businesses to calculate their California income tax liability based upon the percentage of their sales within the state
- Its passage closed a loophole which previously allowed these businesses to avoid paying a fair share of sales tax
- Anticipated to generate approximately \$1.1 billion per year in increased State revenue

- AB 39 – Introduced by Assembly Member Nancy Skinner
- SB 39 – Introduced by Senator Kevin DeLeon
- Governor's Proposed Budget

Funding Type

Focus on grant funding, no interest loans, and "other assistance"

Priority to projects based upon the age of the facility,

Portion for Schools

Unknown percentage of funding for schools

Audit

Audit to be performed by a Citizen's Oversight Board

Administration	Program administered by Office of Public School Construction (OPSC)
