

Our Mission is to develop a coordinated system of support services for all students in order to foster well-being.

Distinctive Full-Care Community School Initiative: The Wellness Center provides students with the support needed to face the challenges in their lives while working closely with faculty, administration, parents, and community to build a success for all students.

Crespi Middle Community School Garden

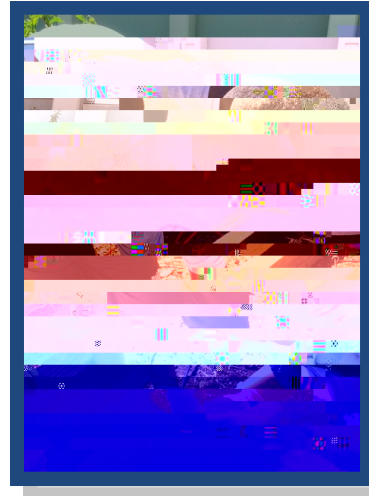

Individual and group support services are provided by the Y-Team (YMCA) and Center for Restorative Solutions.

Medical Services: Gracie Social

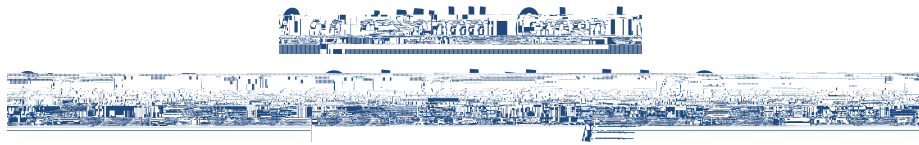

Health Education: Gracie Social

Most of the work about the garden is watering, cleaning, and growing it.
