State's Total Number of ...	521
Total Number of Visits Per Student	3.2

## ▶ Student Support

*Now to the health center this year is the Young Men's Empowerment Collaborative (YMEC). YMEC aims to promote healing and justice among boys and young men of color who are disproportionately impacted by climate, and identifying and connecting support services. This year, 30 young men of color are participating in evidence-based programs designed to improve academic success.*
