ECHS Archiving Project Newsletter

Greetings to all Gauchos and Gaucho families.

Summer is rapidly going by and I hope each of you has been able to get some extra rest and have had an opportunity to do some fun activities.

The City of El Cerrito is celebrating its 100 year Birthday all of 2017. There are many great events and activities scheduled each month. I hope you are able to attend several or at least a few.

On Sat. Oct. 14th the Archiving Project will be holding an open house and tour of El Cerrito High. Save the day.

The Archiving Project members are very saddened by the recent deaths of Coach George Austin and the long time dedicated career center counselor, Bobbi Griggs. Each gave over and above to the students of ECHS for many years. Their passing will leave a huge empty space in the support system for the students.

Congratulations and Best Wishes for a successful future to each of the Class of 2017.
