

00:25:36 Kabir Kapur: Pretty ableist statement to say "we are all adults and can read"

00:40:15 Scott Rafferty: substitute stipulated judgment for SBC Code 2 ^10 ^9A provide legal representation, if applicable, in court (not including post ^map litigation)

00:41:20 Scott Rafferty: No applicable CC Code it was the initiative that set up commisison

00:41:32 Harold Freiman: No County Code applies here. The Stipulated Judgment does.

00:42:41 Scott Rafferty: fairly for fair in last bullet point

00:49:51 Scott Rafferty: 21500 ^21508 are the Fair Maps Act criteria for counties. The stipulated judgment incorporates very similar language almost verbatim, but strike amendment (about prisons and timing)

00:50:35 Harold Freiman: Another criteria that the School Board had expected and previously recommended was that the independent counsel not have represented the West Contra Costa Unified School District previously, nor that they have sued the District previously, to ensure independence.

00:51:20 Scott Rafferty: I don't think that is appropriate. There is a quakified firm that has represented teachers

00:58:09 Scott Rafferty: local gov entities or piublic interest groups

00:59:07 Commissioner Hilliard: Suggested language for Proposal Requirements, No. 4: Second sentence should read: For example, potential conflicts of interest shall include, but not be
