As a teacher, I will...

How we'll use ClassDojo

# ClassDojo

Students will...

Share classwork and complete assigned Activities on their Portfolio

Watch and comment on lessons posted to our Class Story and access shared files

Be sure that only their own family members are connected to their account and will be able to view my work

## Families will...

Like and/or comment on photos, videos, Events, and files shared on Class Story

Like and leave positive feedback on their student's Portfolio

Communicate with the teacher with private direct messaging

Translate any message or Class Story caption into your preferred language as needed
