Figure 1 – Fiscal Year 2023-24 Estimate of Cost 7

Figure 2 – Summary of Estimate 8

This Engineer's Report is consistent with the *SVTA* decision and with the requirements of Article XIII C and XIII D of the California Constitution because the Improvements to be funded are clearly defined; the benefiting property in the Improvement District enjoys close and unique proximity, access and views to the Improvements; the Improvements serve as an extension of usable land area for benefiting properties in the Improvement District and such special benefits provide a direct advantage to property in the Improvement District that is not enjoyed by the public at large or other property.

This Engineer's Report is consistent with *Beutz, Dahms* and

Incidental expenses include all of the following: (a) The costs of preparation of the Engineer's Report, including plans, specifications, estimates, diagram, and assessment; (b) the costs of printing, advertising, and the giving of published, posted, and mailed notices; (c) compensation payable to the County for collection of assessments; (d) compensation of any engineer or attorney employed to render services in proceedings pursuant to this part; (e) any other expenses incidental to the construction, installation, or maintenance(s)-1.4 (c)-4 any otp5.9 (o)-ahe l;;toetntoyis

WHEREAS, on March 15, 2023, the Board of Education of the West Contra Costa Unified School District, Richmond, California, pursuant to the provisions of the Landscaping and Lighting Act of 1972, directed the preparation of the Engineer's Report for the West Contra Costa Unified School District Maintenance and Recreation Assessment District for the proposed improvements and changes in existing public improvements, more particularly therein described;

WHEREAS, said Resolution directed the undersigned Engineer of Work to prepare and file a report presenting an estimate of costs, a diagram for the assessment district and an assessment of the estimated costs of the improvements upon all assessable parcels within the assessment district, to which said Resolution and the description of proposed improvements therein contained, reference is hereby made for further particulars;

NOW, THEREFORE, the undersigned, by virtue of the power vested in me under said Act and the order of the Board of Education of said West Contra Costa Unified School District, hereby make the following assessment to cover the portion of the estimated cost of said improvements, including the maintenance and servicing thereof and the costs and expenses incidental thereto to be paid by the assessment district.

The amount to be paid for said improvements, including the maintenance and servicing thereof and the expenses incidental thereto, to be paid by the assessment district for the fiscal year 2023-24 is generally as follows:

As required by said Act, an Assessment Diagram is hereto attached showing the exterior boundaries of said Maintenance and Recreation Assessment District as the same existed at the time of the passage of said Resolution. The distinctive number of each parcel or lot of land in the said Maintenance and Recreation Assessment District is its Assessor Parcel Number appearing on the Assessment Roll.

And I do hereby assess and apportion said net amount of the cost and expenses of said improvements, including maintenance and servicing thereof, upon the parcels or lots of land within said Maintenance and Recreation Assessment District, in accordance with the special benefits to be received by each parcel or lot, from the maintenance of said improvements, and more particularly set forth in the Cost Estimate hereto attached and by reference made a part hereof.

Said assessment is made upon the parcels or lots of land within said Maintenance and Recreation Assessment District in proportion to the special benefits to be received by said parcels or lots of land, from said improvements.

Each parcel or lot of land is described in the Assessment Roll by ref3 (n)2.2 (e)-7.9 ((c)8.9 (e)-9 ()10.2

A handwritten signature in blue ink that reads "Daniel W. Blum". The signature is written in a cursive style and is positioned to the right of the professional seal.

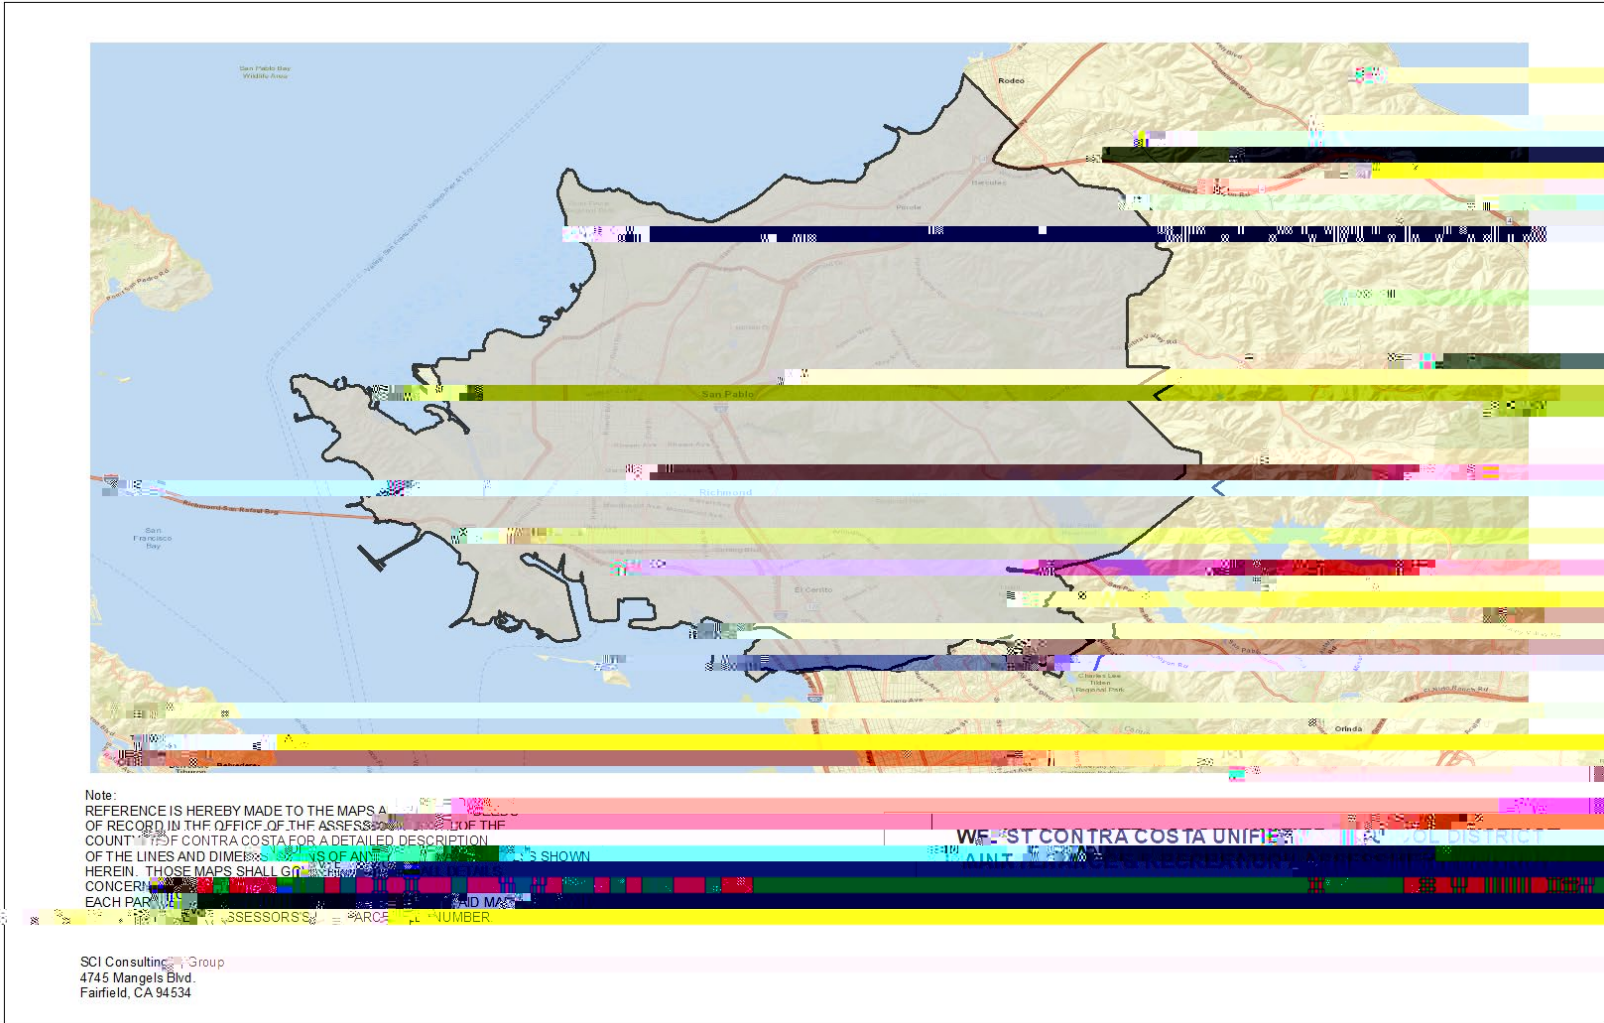

a

The District's sites in the Assessment District provide larger outdoor areas that serve as an effective extension of the land area for proximate properties because the Improvements are accessible to property in close proximity to the Improvements. The

The assessments are apportioned among all lots and parcels within the Maintenance and Recreation Assessment District on the basis of Single-Family Equivalents (SFE). This SFE

Methodology is only used to determine the assessment rate for the district. It is not used to determine the assessment rate for individual lots or parcels.

For developed commercial and/or industrial parcels with no living units, the SFE Units is 0.

Reference is hereby made to the Assessment Roll in and for said assessment proceedings on file in the office of the Clerk of the Board of Education, as said Assessment Roll is too voluminous to be bound with this Engineer's Report.
