WHO MUST REPORT:

Any business or government entity (defined as a "Service-Recipient") that is required to file a Federal Form 1099-MISC for service performed by an independent contractor (defined as a "Service-Provider") must report. You must report to the Employment Development Department within twenty (20) days of EITHER making payments of \$600 or more OR entering into a contract for \$600 or more with an independent contractor in any calendar year, whichever is earlier. This information is used to assist state and county agencies in locating parents who are delinquent in their child support obligations.

An independent contractor is further defined as an individual who is not an employee of the business or government entity for California purposes and who receives compensation or executes a contract for services performed for that business or government entity either in or outside of California.
