The screenshot shows the PowerSchool student portal. At the top, there's a green header bar with the 'PowerSchool' logo and a navigation menu with tabs for 'AU', 'E', 'Gr', and 'Me'. Below the header is a yellow banner titled 'Grades and Attendance' with a sub-section 'Attendance' highlighted. The main content area has a pink background and displays a grid of student records. Each record includes a photo, name, and a 'View Details' button. On the left side, there's a sidebar with links for 'School Bulletin', 'Class', 'Registration', 'My Schedule' (which is currently selected), 'School Information', 'Score Reports', and 'Account Preferences'. The 'My Schedule' section shows a weekly calendar grid with days from Monday to Sunday and time slots from 8:00 AM to 3:00 PM. Each slot contains a subject code like '3(E)', '4(A,C)', etc., indicating the class and period.

## Media Release

Occasionally, the School District and organizations/associations connected with the district would like to use the name, photograph(s), video recording, and/or interview comments of students for educational, promotional or other purposes. Including district-generated news articles and brochures. Other times, the school also receives requests from the news media to photograph, film, or interview students while covering school events and activities. Such images and comments are used for news purposes only and not for commercial purposes.

As part of each school's parent/community information program, your school or the district may also wish to place student pictures, schoolwork, and other images on the district or school's website, post on social media and use for advertising and marketing purposes.

In order to use such material, parental consent is necessary for any student under eighteen (18) years of age.

Please Indicate below if you give permission for your child's name, image, or comments to be used:

For School Photo/Video Release I give my permission for my child to be photographed and/or videotaped during school activities and school events. I understand that my child's photo/video may be used in school publications, on the school website, or in other school media. I understand that my child's photo/video must be completed before the form can be electronically signed and dated.
