The school site council recommends this school plan and proposed expenditures to the district governing board for approval, and assures the board of the following:

1. The school site council is correctly constituted, and was formed in accordance with district governing board policy and state law.
2. The school site council reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the school plan requiring board approval.
3. The school site council sought and considered all recommendations from the following groups or committees before adopting this plan:

Instructional Leadership Team, School Site Council

4. The school site council reviewed the content requirements for school plans of programs included in this Single Plan for Student Achievement and believes all such content requirements have been met, including those found in district governing board policies and in the Local Control Accountability Plan.
5. This school plan is based on a thorough analysis of student academic performance. The actions proposed
