

Coronado Elementary

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Professional Development

Every Wednesday, staff is trained on a variety of issues. Teachers meet with their grade level colleagues to share successful teaching strategies, review student data, plan instruction, and plan intervention. We also have Monthly Staff Meetings where teachers and other staff receive important training and staff development. In addition, we have a strong, collaborative Instructional Leadership Team that facilitates instructional leadership, plans staff development for teachers, and brainstorms solutions to issues at school (i.e., ways for teachers to better collaborate, train staff by having veteran teachers provide
