California Department of Education School Accountability Report Card Reported Using Data from the 2016-17 School Year

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Last updated: 1/25/2018

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

School Facility Good Repair Status

Year and month of the most recent FIT report: July 2017

| | | |
|---|------|---|
| | | <p>The fire sprinklers appear to be in working order (e.g., there are no missing or damaged sprinkler heads).</p> <p>Emergency alarms appear to be functional.</p> <p>Emergency exit signs function as designed, exits are unobstructed.</p> <p>Hazardous chemicals, chemical waste, and flammable materials are stored properly (e.g. locked and labeled properly).</p> |
| Structural: Structural Damage, Roofs | Good | <p>Roof systems appear to be functioning properly. Actions were/will be taken to ensure:</p> <p>Severe cracks are not evident. Ceilings & floors are not sloping or sagging beyond their intended design.</p> <p>Posts, beams, supports for portable classrooms, ramps, and other structural building members appear to be intact, secure and functional as designed.</p> <p>There is no visible evidence of severe cracks, dry rot, mold, or damage that undermines the structural components.</p> |
| External: Playground/School Grounds Windows/Doors/Gates/Fences | Good | <p>The playground equipment and school grounds in the vicinity of the area being evaluated appear to be clean, safe, and functional. Actions were/will be taken to ensure:</p> <p>There is no exposed broken glass accessible to pupils and staff.</p> <p>Exterior doors and gates are functioning and do not pose a security risk.</p> |

Overall Facility Rate

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics for grades three through eight and grade eleven.² Only eligible students may participate in the administration of the CAAs. CAAs items are VM aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Last updated: 1/25/2018

CAASPP Test Results in Mathematics by Student Group
Grades Three through Eight and Grade Eleven (School Year 2016-17)

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students

Grades Five, Eight and Ten

| Subject | Percentage of Students Scoring at Proficient or Advanced | | | | | |
|-------------------------------|--|---------|----------|---------|---------|---------|
| | School | | District | | State | |
| | 2014-15 | 2015-16 | 2014-15 | 2015-16 | 2014-15 | 2015-16 |
| Science (grades 5, 8, and 10) | | 29.0% | 46.0% | 40.0% | 56% | 54% |

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

Opportunities for Parental Involvement (School Year 2017-18)

Harbour Way understands that parental involvement is strongly associated with positive learning outcomes. Harbour Way conducts two Open House parent participation activities per year. The Student Success Team, Parents and Teachers as Allies, and attendance interventions are additional opportunities for school staff to develop relationships with parents and other stakeholders in the community.

Contact Information for Parental Involvement: Main Office (510) 231-1447

State Priority: Pupil Engagement

Last updated: 1/18/2018

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates and
- High school graduation rates
