In June 2010, the District and City entered into an Amended and Restated Ground Lease Agreement regarding the construction and use of a community center at Helms Middle School. The original Ground Lease for the construction and use of a community center at Helms Middle School was entered into in 2007. The District and City have now negotiated additional revisions to the Amended and Restated Ground Lease relating to requirements for the construction of the community center, including the funding mechanism for the construction of the community center.

This Amended and Restated Ground Lease contemplates that the Helms Middle School site<sup>3</sup> will be subdivided to create a real property parcel for the portion of the school site leased to the City under the Amended Ground Lease<sup>3</sup>. The parcel will be separate and distinct from the school site. The Ground Lease Parcel will be the subject of the Amended and Restated Ground Lease and the parcel which the Community Center will be constructed on will be pledged as collateral for the loan in order to accomplish the
