No

\* D.3 Teach American History (TAH) Project

Comments:

Teach American History Project is a district-wide initiative to enhance the quality of instruction in American History. The project is a multi-year effort to develop and implement a comprehensive American History curriculum for all students in the district. The project is a collaborative effort between the district and the state. The project is a multi-year effort to develop and implement a comprehensive American History curriculum for all students in the district. The project is a collaborative effort between the district and the state.
