Contracts have been initiated by staff using previously qualified consulting, engineering, architectural, or landscape architectural firms to assist in completion of the referenced projects. Public contracting laws have been followed in initially qualifying and selecting these professionals.

***CI C.8 Approval of Negotiated Change Orders**

Comment:

Staff is seeking approval of Change Orders on the following current District construction projects: Pinole MS Soccer & Football Fields; Coronado ES New School; Montalvin Manor New Classroom Building; Ohlone ES Pt1/Ph2 Portable Campus; Ohlone ES Phase 1 New Classroom; Pinole Valley HS Ph2A Interim Campus; Kennedy HS Science Wing Renovation; De Anza HS Replacement Campus; De Anza HS Linked Learning Building; El Cerrito HS Stadium. Change Orders are fully executed by the District upon signature by the Superintendent's designee. Board approval is the final step required under state law in order to complete payment and contract adjustment.

In accordance with Public Contract Code 20118.4, the Board, by approving these Change Orders, finds that it would have been futile to publicly bid the work in question because of the tight time frames to complete this work without affecting the operations of the District, and that the public is best served by having this work completed by the contractor on the project.

Recommendation:

If approved by the Board, the new fee will go into effect January 8, 2015. This analysis was conducted according to state guidelines.
