-going t

courses for teachers throughout the year on designated Saturdays. Include are pictures of the Saturday, October 28 training that was held at Pupil Ser

Background on SEIS: SEIS provides centralized online management of IEPs and Special Educat

Teachers and Service Providers can edit IEP forms at any time, from any of access. The IEP forms are pre-populated with information from the SEIS eliminating repetitive data entry. SEIS has a built-in California Special Ed Information System (CASEMIS)* error check utility which can be used at check also runs automatically during the IEP approval process so that CAS found and corrected as part of the IEP process.

All CASEMIS and IEP information is collected and stored in SEIS from the first entered into the system. The student's records, and all of their histori IEPs, moves with the student when they transfer to any of the nearly 1,000 using SEIS, even when transferring to a different SELPA!

*CASEMIS is the system that the California Department of Education (CI from each SELPA for Federal reporting purposes, and SELPA/District con and Federal laws. West Contra Costa Unified School District *Office of the Superintendent*
